Welcome to exhibit at the

Bridge Builder Day

25 January 2027 – The Swedish Exhibition Centre – Gothenburg, Sweden

The Bridge Builder Day is a well-attended day with up to 800 participants. A large part of the visitors are responsible site managers and supervisors on bridge construction sites. Project managers, designers, consultants and purchasing managers are also present. This gives your company a unique opportunity to market yourself and reach the entire bridge building industry.

As an exhibitor, you meet the participants during coffee breaks, lunch, and after the seminars at the "After Bridge mingle" in the exhibition area which is open until 7 pm, when the dinner starts.

A map over the exhibition and information about the exhibitors will be distributed to all participants. *Please note that most seminars will be in Swedish.*

The exhibition fee is 22 500 SEK excl VAT for a 3x3m stand area.
See the Terms & guidelines for the exhibition for more information.

The Exhibitor Registration will open 19 November 2026 at 10:00 o'clock.
Your chosen stand location will be confirmed immediately upon completion of your booking.
The number of stands are limited. It's first come, first served – high demand is expected!
The registration closes when the exhibition is fully booked, no later than 17 December 2026.

Sign up here!

A warm welcome as exhibitor!
